

Admissions Process

- 1) Family or LEA contacts the Director of Admissions or Admissions Assistant at (401) 432-9940 for preliminary information.
- 2) Can set up an initial meeting for a program overview and general intake (optional).
- 3) Family or LEA provides recent evaluations which may include:
 - Neuropsychological/psychoeducational
 - Speech and language
 - Occupational therapy/sensory processing
 - IEP (if applicable)
- 4) Director of Admissions reviews evaluations. Family or LEA comes in to tour the school.
- 5) Families are provided with an application.
- 6) Student visits with the Director of Admissions and tours the school.
- 7) Student comes for a two day classroom visit. Visit includes screenings by the team (academics, language, and sensory integration).
- 8) The Director of Admissions meets with the classroom team after student visit to review all information.
- 9) Director of Admissions notifies family or LEA of the decision.
