

Where every child  
is a learner.

the **Wolf School**

2010-2011 Annual Fund

# *Give to The Wolf School Annual Fund today*

## Help bridge the gap

At The Wolf School we provide a unique educational environment that gives children with complex learning profiles opportunities to be successful students, loyal friends, and contributing family members.

Because tuition alone does not cover the cost of this important work, we depend on the Annual Fund to support critical areas that help Wolf set a standard of excellence for serving students with learning challenges.

## Your tax-deductible gift allows Wolf to be a school that:

- ▶ **Prioritizes exceptional teachers and therapists** as the main ingredient in successful learning, requiring ongoing professional development and training, time for planning as a team, and competitive salaries and benefits to attract and retain quality educators;
- ▶ **Utilizes up-to-date technology** and teaching methodologies to provide creative academic, sensory, social, and language supports that will empower children to be successful, secure learners;
- ▶ **Offers a strong financial aid program** that gives access to a Wolf education for more children who can benefit from our educational model and experience success at school;
- ▶ **Provides instructional space** in a well-maintained, safe and optimal environment that facilitates our unique teaching approach, encouraging opportunities for small group work and promoting school pride and community responsibility.

Every gift is an investment in a child's future!

To make a gift or learn more about the Annual Fund, please contact Marie Esposito, Director of Institutional Advancement, at (401) 432-9940, x11 or email [mesposito@thewolfschool.org](mailto:mesposito@thewolfschool.org).
