

# Where every child is a learner

## About our school

- Founded in 1999 to provide a unique educational environment for children who are complex learners with multiple learning differences.
- Special education certified in grades 1-8 in Rhode Island and Massachusetts.
- Approved by the State of Rhode Island Department of Education as an Independent School.
- Children come from public and private schools in Rhode Island and Massachusetts.
- Enrollment of up to 52 children in six classrooms with 6-8 students per class in Lower School and up to 10 students per class in Middle School.
- Low teacher-student ratio.
- Individualized academic programming following grade level expectations.
- Language based learning environment with sensory processing supports and social thinking skills immersed into the academic curriculum.
