

*Where every child
is a learner*

the **Wolf School**

"Strong Friends" is an intensive half-day therapeutic summer program for complex learners offering social skills and fitness training for entering 3rd, 4th and 5th graders. Each session uses sensory strategies and team building activities to promote self-confidence and positive peer relationships within an inclusive learning environment.

Summer Program 2011

A bridge to better learning

Summer program includes

- A state-of-the-art facility
- Expert staff, including occupational and speech and language therapists from The Wolf School
- Family and child education
- Self-advocacy training
- Typical peer models
- Creative, fun activities to improve fitness and peer relationships

Application process

Children can attend one or both two-week sessions.

To ensure effectiveness, enrollment is limited.

Step 1: Complete the application and include a non-refundable \$25 fee due by April 29, 2011.

Step 2: (Only for children who do not attend Wolf) If your child does not attend The Wolf School a screening is required. Contact Jennifer Martinou, Intake Coordinator, at (401) 432-9940 x16 to schedule a screening session. During the screening parents will complete paperwork to provide additional information about their child and determine goals.

Our application and screening process determines whether the program is a good match for your child. Summer program participants will be notified by May 18.
