Spotlight on Volunteers

Giving Back at The Wolf School

The Wolf School was thrilled to be a part of Hasbro's Day of Joy on Tuesday, December 15th. Students participated by making over 250 PB&J sandwiches, 25 peanut butter sandwiches, and to use up the last slice of bread, one "Triple Decker" sandwich. The assembly line of workers then packaged the sandwiches in decorated bags and included handmade cards with holiday wishes. In addition, our WSPO collected 150 pounds of food to distribute.

All of our hard work paid off when the packaged goods were brought to local food pantries. Wolf parent, Chris Levy, who organized the event, said, "Everyone was thrilled to see all the food coming in for sure! It made us REALLY appreciate the good deed we had just completed."

What a great way for our students to get involved in the spirit of giving this season by being a part of such a great cause! A special thank you to Chris Levy and his team of volunteers from Hasbro Toys for making this experience possible!

Spotlight on Students

All School Holiday Event

On Friday, December 18, students rocked the house at our All School Holiday Event!

Featuring a musical performance from every grade, as well as the debut performance from The Wolf Howlers, our a cappella group, this show was a standout!

The students performed songs they had been learning (and even writing!) in music class.

Many of our students would never have imagined themselves performing on stage in front of a crowd, but they did it and were amazing! It was a wonderful culmination of musical and social skill building and the perfect way to start winter break!

Enjoy videos of The Wolf Howlers and photos of the event [here!](#)

Spotlight on Grants

Thank you!

The Wolf School is honored to be one of the recipients of a CVS Health Charity Classic grant. The 2015 CVS Health Charity Classic donated a total of \$1.3 million to 103 New England charities. Thank you for including The Wolf School!

A special thank you to Board member Leslie Lorber for accepting the check on behalf of The Wolf School. This grant will help fund suspended swings in the classrooms to provide sensory integration support for our students.

Spotlight on Movement

GoLocal Visits The Wolf School

GoLocal stopped by The Wolf School recently to chat with Head of School, Anna Johnson. Anna discussed how important movement is to learning and how we combine the two at Wolf, especially in our Sensory Arena. The film crew caught a few students engaged in lessons that combine

academic instruction and movement.
