Amazing Art Show!

At the Wolf School we look forward to our annual Art Show each May and each year it seems to get bigger and better!

Thanks to Keri King, Wolf's wonderful art teacher, families and friends enjoyed a beautiful display of student art in the Pelson Center on May 7th. The scope of the work spanned all grades and all mediums, creating a fun, colorful and moving revue of an entire school year's worth of art!

Read [this latest blog post](#) on the importance of art in Wolf's curriculum and programming and enjoy more photos from this incredible show.

Spotlight on Events

You Discovered the Difference!

You had a co-chairs that inspired in **Renee Evangelista** of Howland Evangelista Kohlenberg Burnett LLP, and **Stefania Mardo** of The Discovery Group!

You had a lively Live Auction led by our favorite meteorologist **Tony Petrarca** of WPRI-TV!

You had a crowd that exuded warmth, laughter, and generosity.

You even had a live tree!

And together, you raised more than \$96,000 for financial aid and programs at The Wolf School.

Check out [more photos here](#) of the people who made this fabulous event a huge success!
