Spotlight on Students

First Day of School!

Our transition back to school has been smooth sailing! The hallways are filled with smiling faces and positive energy. The classrooms are sparkling and colorful, and we have new breakout spaces for individual or small group learning that were built over the summer.

With fourteen new families joining us to kick off the 2015-2016 school year, our enrollment is at an all time high of 59 students.

Parents, staff, students, and even Board members have been sharing their hopes and dreams for the coming year. We are all looking forward to an exciting year of new opportunities, growth and fun!

Spotlight on Golf

Be Sure to Join Us!

It's not too late to join us for a beautiful fall golf outing at Valley Country Club in Warwick on Monday, September 21, 2015.

Now in our second year, this great day on the golf course is a win-win, offering you a chance to be out playing golf on a Monday, while supporting the amazing students at The Wolf School.

Great giveaways, a fun raffle, lots to eat and drink, and a terrific group of golfers make this outing truly memorable. So make a difference in the lives of our students and register today!

Spotlight on Complex Learners

Article in New Parent Magazine!

The new Rhode Island Parents Magazine published an article by Head of School, Anna Johnson, on how to identify complex learners.

Be sure to check it out and share this information with friends and colleagues. It's an excellent introduction to the topic and helps raise awareness about children whose learning profiles are not easily understood.

Look for copies of the September issue in local supermarkets and banks, and download [a copy of the article here.](#)
