### A Winning Season!

High-five to the Middle School basketball team for a winning season! Their outstanding team work and dedication truly paid off. Congratulations to Coach Mike LaRose, Assistant Coach Jackie Richardson, Cheerleading Coach Taylor Frazier, the hardworking players, cheerleaders, and scorekeeper--all who contributed to this amazing effort.

Be sure to join us **Saturday, April 2 at 4:00 PM** in the Pelson Center when Wolf Alumni go up against the current team in our annual **Alumni Basketball Challenge**. This is a great opportunity to see old friends and past families, watch an exciting game, enjoy some pizza and catch up!

### Founders Day

This year, parents, board members and friends joined us once again to recognize The Wolf School's amazing beginning and extraordinary development. We celebrated our 12th year with a presentation by the

8th graders, parent visits to the classrooms, and a very special award to a faculty member who embodies The Wolf School tenants of discovery, collaboration, creativity, achievement and confidence. Congratulations to Lauren Laberge (right), our 6th grade classroom teacher, for receiving this special recognition from Head of School, Jessica Robins Miller (left), and the entire Wolf community. Her family drove in from Albany, NY to surprise her and join in the celebration. Lauren actually started teaching at Wolf in 2000 when there were only 3 children in a single classroom! She has made a difference in the lives of many Wolf students and families over the years and we applaud her.
