## Spotlight on Founders Day

*Honoring our Beginnings*

Every year Wolf celebrates Founders Day, retelling the story of how our school began, and giving each classroom the opportunity to share some of the amazing things they are learning.

Beginning with a parent breakfast and followed by a special All School Assembly, this day has grown into a wonderful tradition that honors our Founders and recognizes the great work that continues at Wolf.

Our Founders Day Award is given annually to a teacher or staff member who exemplifies the tenets of Wolf - Discovery, Collaboration, Creativity, Achievement and Confidence. This year the award went to Lynne Manchester, our Business Manager, for all her hard work and dedication.
