Spotlight on Fun

Annual Field Day & Wiffle Ball Game

At The Wolf School we work hard, but we play hard too!

Every year the students at Wolf participate in a Field Day full of fun events. This year's activities included everything from a water balloon toss to Bocce ball. There were indoor activities too, including an obstacle course and Art & Music.

The Middle School students had an afternoon Wiffle Ball game with staff and parents joining in the fun.

And with a visit from the Spike's hotdog truck and a yummy treat from the Like No Udder truck, the day was complete!

For more photos of this great day check out our [Facebook Page!](#)

Spotlight on Events

Discover the Difference 2014

This event gets better and better! We had a fabulous time at our annual Discover the Difference fundraiser held at the RI Convention Center on April 24th.

The warmth and generosity of our supporters is abundant. As one guest commented, "I love this event. Everyone is so friendly and genuinely wants to be here!"

Committee member and Wolf parent Tamara McKenney (second from the right) with her family and friends at Discover the Difference

Celebrating 15 years of Wolf, Discover the Difference raised over \$80,000 for scholarships and programs supporting our students. As parent speaker Miny Ortiz told the audience, "The Wolf School is not just a school, it's a community."

Thank you to co-chairs Stefania Mardo and Kaitlyn Roberts, and to the entire Wolf Community for making this event a huge success! For a complete list of event volunteers, corporate sponsors, and donors, [click here!](#)

First Annual Wolf School Golf Outing

The sun certainly shines on the Wolf School! We had the most incredible weather for our first Annual Golf Outing, and a great group of golfers turned out to enjoy the day.

Held at Valley Country Club on May 12th, this exciting event, complete with cash prizes and a raffle, was the perfect way to bring together families and friends to raise funds and

awareness for Wolf.

Many thanks to Jason Krikorian for spearheading this new event, and for our fabulous committee members. For more photos of this terrific outing check out our [Facebook Page](#) or our [website](#).

Spotlight on Hip-Hop

Visiting Artist Program

Wolf's Visiting Artist Program has all the right moves this year! Our students are learning hip-hop from Edgar Viloría, instructor and staff member at [Everett Company Stage & School](#).

Everett is a Providence-based organization whose ensemble of artists create, perform, teach and mentor new generations of artists within a diverse community. With a belief that the arts can transform lives across multiple backgrounds and differences, Everett is a perfect match for The Wolf School.

The Visiting Artist program is sponsored by the Wolf School Parent Organization (WSPO) every year, giving our students exposure to a wide range of creative expression from working artists.

Lots of clapping, music and laughter will be shared over the next several weeks culminating in a school-wide performance in June. Keep checking our [Facebook Page](#) for updates on our students' progress!
