You Made the Difference!

Our 10th Annual Discover the Difference event was a great success thanks to the incredible support of so many individuals. Your efforts raised over \$69,000 to support the complex learning needs of Wolf students.

A huge thank you to our Event Sponsors, including Gold level sponsors Bank Rhode Island and The Mardo Family/SAF Properties. Thanks also to our amazing Event Committee chaired by Stefania Mardo and Gerrie Verrecchia. And of course, we couldn't have done it without the generosity of all our

New Summer Programs at Wolf!

There's something for everyone this summer at The Wolf School, from exploring Apps for the iPad that enhance academic skills, to practicing Social Thinking concepts with peers. We even have a program that helps picky eaters enjoy foods stress-free.

All programs are held in our state of the art facility led by advanced clinical faculty with a staff to student ratio of no more than 1:4. Children will have fun while building a variety of skills based on their needs. In addition, each program incorporates a parent education component.

Program dates, times and age-ranges differ so [download our brochure](#) to learn more.
